

## Speed Ramp

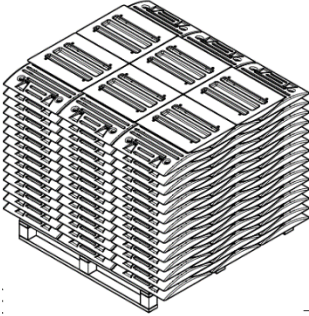

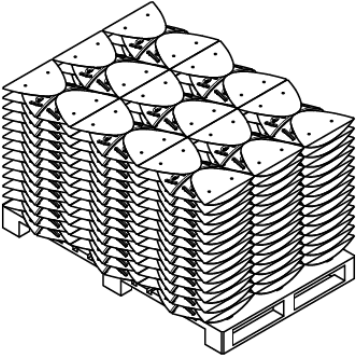

### Features:

Made exclusively from recycled materials • Stack and pack easily and suit standard pallets • Available ex stock in yellow and black • Centre piece ramps include reflective cats eyes for extra visibility • Strong and resilient – able to withstand many years in abusive environments • Highly UV and temperature resistant • Large counter sunk sockets for rawl bolts • Ridged surface allows for greater grip

| SKU     | Description             | mm (A) | mm (B) | mm (C) | KG  |
|---------|-------------------------|--------|--------|--------|-----|
| SH-01-X | Speed Ramp Centre Piece | 50     | 450    | 500    | 8,2 |
| SH-02-X | Speed Ramp End Cap      | 50     | 306    | 451    | 3,7 |

**X = Colour options:** Stock units carried in black (B) and yellow (Y). Other colours available on request.

**Palletisation**

| SKU     | Pallet Width [m] | Pallet Length [m] | Pallet Depth [m] | Units per Pallet | Mass per Pallet [kg] | Diagram   |
|---------|------------------|-------------------|------------------|------------------|----------------------|---|
| SH-01-X | 1500             | 1350              | 1252             | 126              | 1061                 |   |
| SH-02-X | 2000             | 1354              | 1165             | 468              | 1753                 |  |
